It is our great pleasure to inform you that you have been selected to receive an Insight Data Science Scholarship for the session beginning June 1, 2015.

Our goal is to make sure everyone with the right skills can participate in Insight, regardless of their financial situation. Having been selected to participate, we believe you have the skills that top data-driven companies are seeking in their data scientists, and we are eager for you to join us in June. Furthermore, we believe that you have demonstrated a need for financial support during the program, and we hope that this scholarship will help.

As an Insight Data Science Scholarship recipient, you will receive up to \$2,300. Please note that the money you receive from this scholarship is a gift, not a loan. We do NOT expect you to repay the given amount. Insight awards this scholarship to enable Fellows to fully participate in the program without pressing financial distractions.

In order to receive the full scholarship amount of \$2,300, you will need to submit receipts totaling equal to or greater than \$2,300. If your receipts total less than \$2,300, then you will be reimbursed for the totals shown on your receipts but may forfeit the remaining scholarship amount. Receipts for costs accumulated prior to the beginning of the June session of Insight should be submitted to Insight on June 1st, 2015. Receipts for costs accumulated during the June session of Insight should be submitted to Insight at the end of each calendar month.

By accepting this scholarship, you agree to fully participate in the program as defined by the program acceptance letter in good faith. To accept the Insight Data Science Scholarship, please sign on the following page and return this agreement by email to info@insightdatascience.com or by fax to 650-284-0456.

We look forward to your joining the Insight Data Science Fellows Program in June.

Sincerely,

Jake Klamka  
Founder  
Insight Data Science Fellows Program

By signing below, I agree to the terms for the Insight Data Science Scholarship as outlined above.
